HOSTED BY:

BAXTER COUNTY & CIRCUIT CLERK CANDA REESE

BAXTER COUNTY TREASURER JENAY MIZE

BAXTER COUNTY COLLECTOR TERESA SMITH

AND BAXTER COUNTY ASSESSOR JAYME NICHOLSON

The American Cancer Society recommends that women over the age of 40 get a mammogram every year. Studies have shown that finding cancer early saves lives and increases treatment options.

Breast cancer is the #1 cancer in women and we would like to help make a difference. Tell your friends who are ages 40-64 to contact us to make an appointment!
